

The Slim Freezer is the most complete merchandiser unit for the ice-cream sector: more facing, more customizable area and more capacity in the minimum of space.

Our Slims are a reference thanks to the customization with the needs of each customer, its fantastic internal illumination and its stylized design, which allow it to be positioned in all types of point of sale.

Características

- Double interior LED light vertically arranged to maximize the product visibility.
- Metallic interior and exterior that provide a great robustness.
- Triple glass door mounted on an aluminum profile and handle either inlaid on the side.
- Static evaporator of six levels that guarantee a homogenous cold distribution, integrating the function of shelves, which five are available for product.
- Ecological injected polyurethane insulation free of CFCs, density 40kg /m³.
- Temperature control by digital thermostat.
- Two back rollers and two front feet adjustable in height.
- Drain inside the chamber to evacuate the water during the evaporator cleaning.
- Palletized of four units per pallet.

Opciones

- Customizable exterior.
- Custom price holder.
- Lock to prevent opening.
- Energy Management Device (EMD)

Datos técnicos

External dimensions (mm)	400 x 480 x 1870
Net weight (kg)	68
Internal net volume (Lt)	99
Refrigeratiion power (W)	309
Lateral serigraphy dimensions (mm)	355 x 1845
Transport 40' container / 13m truck	100 / 104
24h energy consumption (kW/h)	3,2
Climatic class	CC7 (35°C/75%HR)
Temperature range (°C)	-22 / -18
Refrigerant	R-290
Voltage / frequency	230v / 50Hz
Canopy serigraphy dimensions (mm)	395 x 142
