

## Tabla de datos/ Specifications

| MODELO/ MODEL                       | V-50        | V-100       | V-200       | V-400       |
|-------------------------------------|-------------|-------------|-------------|-------------|
| DIMENSIONES/ DIMENSIONS (mm)*       | 380x380x680 | 420x420x730 | 500x500x880 | 650x650x920 |
| CAPACIDAD CUBA / BATH CAPACITY (Lt) | 20 a 25     | 40 a 45     | 70 a 75     | 100 a 130   |
| BANCO DE HIELO / ICE BANK (Kg.)     | 12 a 16     | 16 a 20     | 32 a 36     | 80 a 85     |
| PESO/ WEIGHT (Kg.)                  | 32 a 36     | 40 a 45     | 50 a 55     | 65 a 70     |
| MAX. SERPENTÍN/ MAX. COIL           | 1 (max 3)   | 1 (max 4)   | 1 (max 6)   | 1 (max 6)   |
| TRANSPORTE/ TRANSPORT               |             |             |             |             |
| CONTENEDOR 20'/20' CONTAINER        | 100         | 100         | 80          | 30          |
| CONTENEDOR 40'/40' CONTAINER        | 210         | 200         | 180         | 70          |
| CAMION 7/ TRUCK 7                   | 290         | 170         | 100         | 40          |
| CAMION 13/ TRUCK 13                 | 600         | 340         | 200         | 80          |

\*(ancho x prof. x alto)/ (width x depth x height)

Las dimensiones son orientativas y pueden variar de 20 a 40mm. Las unidades de transporte son orientativas y dependen de las dimensiones. Indicative dimensions can vary from 20 to 40mm. Transport capacity is only indicative and will depend on final dimensions.
